## **Representative Walter Blackman Applauds Enactment of Legislation Creating Electronic Records Repository at State Library**

**STATE CAPITOL, PHOENIX** – Representative Walter Blackman (R-6) today applauded the enactment of HB 2501.

[HB 2501](#), which was introduced by Representative Blackman, would direct the State Library to establish and maintain an electronic records repository.

**“It’s important to preserve Arizona’s history for generations to come,”** said Representative Blackman. **“Our work now and sacrifices today won’t be forgotten by Arizonans of tomorrow.”**

**“Not only will digitizing the State Library’s records improve the preservation of our state’s history, but it will make accessing these important documents much easier for the public. I thank my colleagues for passing HB 2501 and applaud Governor Ducey for signing it into law.”**

HB 2501 passed out of the Legislature with unanimous support.
